— RECOGNITION OF PEER-REVIEW PRACTICES —

This Letter of Appreciation is presented to **International Journal of Creative Research Thoughts** in recognition of its demonstrated commitment to maintaining a structured scholarly peer-review process and promoting quality standards in academic publishing.

Following an assessment conducted by **ORWave - Open Access Repository**, the journal has been recognized for its documented peer-review practices, editorial oversight, and efforts to support academic integrity and responsible research dissemination.

We sincerely appreciate the valuable contributions of the journal's **Editor-in-Chief, Editorial Board, Reviewers, and Publishing Team** in facilitating independent manuscript evaluation, encouraging constructive scholarly feedback, and supporting the publication of research.

The journal's dedication to maintaining transparent editorial procedures, supporting research quality, and strengthening scholarly communication is acknowledged with appreciation.

Through this letter, **ORWave - Open Access Repository** extends its recognition and best wishes to the journal for its continued commitment to peer-reviewed scholarly publishing and academic excellence.

PEER-REVIEW STATUS: RECOGNIZED
Review Process: **Double-Blind Peer Review** · Assessment Period: **2026**
